From The Principal's Desk

Dear All,

Greetings from SIPS!!

“EDUCATION IS THE MOST POWERFUL WEAPON WHICH YOU CAN USE TO CHANGE THE WORLD.” –NELSON MANDELA

Keeping in tune with this thought we started our academic journey on 20th May 2024. As a Principal, I have always emphasised on providing the best learning environment for our students. As we step into the 2024-2025 school year, our vision is to become a model in academic excellence.

We, at Suryodhaya International Public School, ensure high quality education which motivates and empowers our students to be lifelong learners and the productive members of the society. At SIPS, education is not just the amount of information that is put into a child's brain, our education system is the one that caters the individual needs of our students.

I, personally believe that “Imagination is more important than knowledge” because knowledge is about what we already know, whereas imagination is what moves individuals and cultures forward, imagination is where new ideas are created and progress becomes possible. Imagination leads to innovation. SIPS will surely give much importance to imaginative and play way methods of teaching.

We firmly believe that the parents are their child's first and most important teacher. Parents play a vital role in the education of their children. We happily welcome all our parents to take an active role in the education of their children and to be the active participants in their school life.

I would like the parents to know that me and my team is always there to discuss any concerns, questions, or ideas you may have regarding your child's education. I welcome you all to an outstanding learning community where everyone is dedicated to a high standard of excellence. At our end, we shall continue working with you for the best interests of our beloved students. My commitment is to lead the school with enthusiasm and passion.

“HELP US TO HELP YOUR CHILD”

Mrs. Deepa A. Mane

International Literacy Day

Our school held a vibrant assembly to celebrate Literacy Day, highlighting the importance of reading and writing in our lives. Students performed skits based on classic literary works, showcasing their interpretation and creativity.

The assembly concluded with a motivational call to action, encouraging everyone to embrace reading and share their literary journeys.

Overall, Literacy Day served as a reminder of the importance of reading and writing, inspiring students to become lifelong learners.

Hindi Diwas

Hindi Diwas is a significant day to promote the richness and diversity of our national language.

The students and staff came together to honor the official language of India, Hindi.

Students of grade 1 to 4 performed a skit, grade 6 and 8 performed a song and dance performance.

The celebration aimed to promote the significance of Hindi language and its rich cultural heritage.

World Ozone Day

The Theme is : " Montreal protocol Advancing Climate Actions".

As a part of the world Ozone Day the grade IX students from Suryodhaya International Public School inspired their fellow students to raise awareness about human health and Ecosystem with the support of our Principal Mrs Deepa Mane and faculty. Students participated and took oath to work together in healing the Mother Earth, to understand the value of protecting the ozone layer. Students have made exquisite posters representing the importance of Ozone layer and climate change and how it has been damaged over the decades, mainly due to human activities. The purpose was to create awareness amongst students to tackle the global warming and climate change.

Ganesha making Clay Modelling Activity

Ganesha Clay Modelling Activity was conducted on 4th September 2024. The students from grade V to X participated with enthusiasm and creativity in their designs. Cultural awareness and appreciation for Ganesh's significance were demonstrated.

Teachers day celebration

Teachers Day was Celebrated with great enthusiasm and fervor.

Students welcomed teachers with a lively band performance and showered them with flowers.

A treasure hunt game was exclusively planned for teachers that sparked excitement and laughter. A ramp walk was also arranged. Students cheered and applauded as their mentors strutted down the catwalk, displaying confidence and poise.

Principal and teachers expressed their gratitude for the students' thoughtful gestures.

This joyful celebration strengthened the bond between students and teachers at SIPS.

Prathibha Karanji

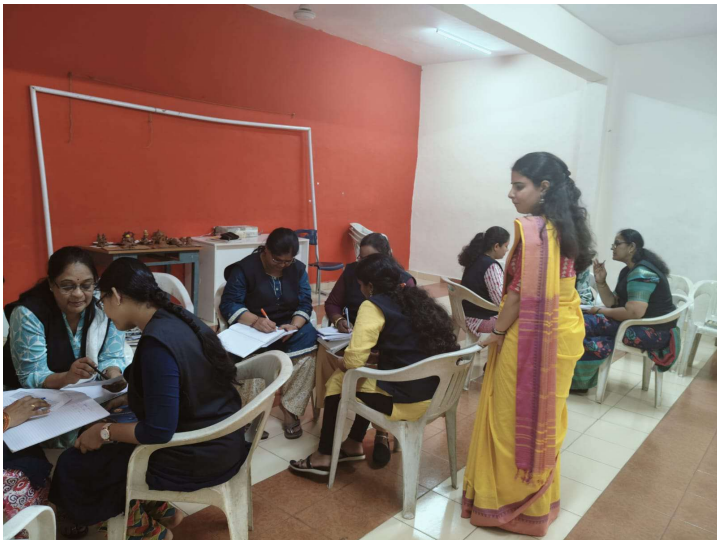

Prathiba Karanji competitions were conducted on 17th September where 37 students participated and won many prizes.

ACT Training

ACT Training Programme on 14th September 2024.

A training session for teachers on "Creative Teaching Techniques," was conducted by the ACT faculty, Ms. Radhika Khanna to empower teachers with innovative teaching methods. Key takeaways included experiential learning, graphical organizers, collaborative projects, and real-world applications. The engaging session aimed to create a more effective and enjoyable learning environment, equipping teachers with cutting-edge techniques to inspire students.

Engineer's Day

"Scientists investigate that which already exists: Engineers create that which has never been".

Albert Einstein

Engineers' day was celebrated on September 17th in Suryodhaya International Public School to commemorate the birth anniversary of one of the greatest engineers in India, the Bharat Ratna Sir Mokshagundam Visweshwaraiah. He had successfully designed and constructed several dams, bridges and revolutionized the irrigation system all over India.

The students have made posters representing the importance of engineers to the whole world.

Field Trip for Kindergarten

Pre primary students visited Big market, Nursery, Post office and Gaushala for a field trip.

Faber Castell Colouring Competition

Faber-Castell colouring competition was conducted at SIPS to encourage and enhance students' creativity. Topics were given grades wise.

Students showcased their artistic talents using an array of Faber Castell colours, transforming papers into marvelous art.
